

DON PICKETT & ASSOCIATES, INC.

DEVELOP ▪ DESIGN ▪ BUILD

Don Pickett & Associates is looking for an Estimator/Project Manager (Fresno, CA)

Are you looking for an opportunity to join a professional team that still has that family atmosphere? Sharing your passion for building while providing challenging, fulfilling work that puts your skills and experience to work?

Serving the Central Valley since 1988, Don Pickett & Associates is a design-build contractor specializing in the construction of commercial and industrial buildings. We are passionate about providing well thought out, high quality projects and building long term relationships with our clients, trade partners, and community.

Qualifications we are looking for:

- Experience reviewing and estimating construction plans.
- Knowledge of the building code.
- Experience reading and reviewing steel building drawings is a plus.
- AUTOCAD experience is a plus.
- Experience in design-build construction is a plus.
- Proficiency in MS Outlook, Excel, and Word.
- Excellent organization, attention to detail, and prioritization skills.
- Great communicator and team player.
- Character.

Responsibilities will include:

- Estimate project cost, change orders, review and approve sub-contractor proposals and invoices.
- Coordinate with in-house staff and sub-contractors during the construction process.
- Read and review in-house plans for conflicts/errors.
- Order steel structures.
- Coordinate local utility: submit application for connection.

Please reply to this ad with your resume including list of work history, projects, and professional references.
